Note 1:	Please note that revocation and suspension Orders are not always effective immediately. If you have questions about effective dates or conditions governing a licensee's practice before a Board Order takes effect, please contact the office. Ohio law permits appeal of a Board Order to the Franklin County Court of Common Pleas. Due to this possibility and the potential for a stay that might delay the imposition of a Board action, you may wish to contact us periodically to verify a given practitioner's licensure status. Most current citation letters, Board Orders, consent agreements and voluntary surrenders or retirements are available on the Medical Board's website at <a href="http://med.ohio.gov/">http://med.ohio.gov/</a> under "Licensee Profile and Status." If you have questions or need additional details about specific cases, please contact Annette Jones at (614) 728-3686.
